

3 A RESOLUTION concerning replacement of
4 traffic control signal at Lavina Street
and Broadway in the City of Fort Wayne,
5 Indiana.

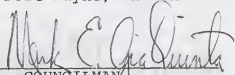

6 Heretofore, the City of Fort Wayne, Indiana, has
7 removed the traffic control signal light existing at
8 Broadway and Lavina Streets in place for many years.

9 The Common Council of the City of Fort Wayne, Indiana,
10 has been advised by representative of the West Central
11 Neighborhood Association that said traffic control
12 signal should be replaced at the intersection of Broadway
and Lavina Streets because, among other things, the following:

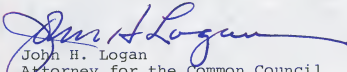

- 13 1. Thirty-five (35) school children ages 5 - 11
14 years living east of Broadway may use this inter-
15 section to and from school. Mr. Shriner,
16 Washington School Principal, attests to a
17 need to the school in his letter to Mr. Stout,
18 Traffic Engineer of the City of Fort Wayne,
19 Indiana, of October 20, 1981.
- 20 2. Children and senior citizens from east of
21 Broadway use said intersection for access to
22 West Central Senior Activities as attested to
23 in October 20, 1981, letter to Common Council
24 of the City of Fort Wayne, Indiana.
- 25 3. Lavina Street, between Broadway and Van Buren Street
26 was recently widened two (2) lanes with the curbs
27 and sidewalks in accordance with point in
28 City West Central Plan. This reaffirmation
29 at substantial expense was designed to
30 include signalization.
- 31 4. The Broadway streetscape that is currently
32 being created, was designed in cooperation

1 with the children's association. When this
2 street was designed and approved by the
3 association, it was understood that the
4 signal at Broadway and Lavina would
5 remain in place. The new scape was designed
6 to create betterpedestrian and vehicular
7 movement at Broadway and Lavina Street.

8 BE IT THEREFORE RESOLVED, by the Common Council of
9 the City of Fort Wayne, Indiana, that the traffic control
10 signal light be placed in the intersection of Lavina
11 and Broadway Streets in the City of Fort Wayne, Indiana.
